

What have Governors been up to during Autumn Term?

At Brunton we are incredibly lucky to have a team of Governors who are dedicated and supportive. Our Governors are hands on, visible around school and always offer words of wisdom and encouragement to all.

This term our Governors have been involved in ...

- ❖ History and Geography Learning walk
- ❖ Critical planning and thinking with the expansion of our outside area
- ❖ Working with SLT to create the vision, values and drivers of our school
- ❖ Subject Leader Link Visits and feeding back to Curriculum Performance Committee
 - ❖ Informal staff drop-in
 - ❖ Christmas Lunch with the children and staff
- ❖ Showing kindness and thinking of staff mental health and wellbeing by offering random acts of kindness.
 - ❖ Raising funds for school with raffles and activities
