Dear Parents

We believe that all children achieve more when school and parents work together.

We also believe that parents can help more effectively if they know what the school is trying to achieve, and how they can help.

This home school agreement will help you to work with us.

Your support and encouragement are very important if your child is to make the most of their time in school.

Gill McKay
Headteacher

- Help each child achieve their potential.
- Share information that might affect work or behaviour.
- Tackle any special needs
- Provide good role models.
